MEDITERRANEAN AND TRANS-EUROPEAN NETWORK FOR TRANSPORT MEDA TENT

DETAILED PROJECT DESCRIPTION

The aim of the project, «Mediterranean and Trans-European Networks for Transport (MEDA TENT-T),» was to analyze the Mediterranean corridors and barriers to transport development. TMS Consult was a partner in the Mediterranean Consortium responsible for project completion, led by NESTEAR-France.

SERVICES PROVIDED

- Analysis of national policies of transportation sectors
- Integration strategy for Mediterranean corridors
- Strategic evaluation of projects
