MEDITERRANEAN AND TRANS-EUROPEAN NETWORK FOR TRANSPORT MEDA TENT-T

DETAILED PROJECT DESCRIPTION

The aim of the project, «Mediterranean and Trans-European Networks for Transport MEDA TENT-T», is to conduct an analysis of the Mediterranean corridors and barriers for transport development. TMS Consult is a partner in the Mediterranean Consortium in charge of the project completion (led by NESTEAR-France).

SERVICES PROVIDED

- Analysis of national policies of transportation sectors
- Integration strategy for Mediterranean corridors
- Strategic evaluation of projects
